

12 DAYS OF CHRISTMAS/5 GOLDEN RINGS POLICY

The Holiday Christmas annual special is deeply discounted with reimbursement rules that are separate from our standard refund policy.

- Each promotion is valid for the stated date only. No Exceptions.
- Specials must be purchased the same day as the promotion either in person or by phone. Specials are not available online. We will honor calls left to voicemail before midnight and will call back for payment information.
- We accept payment by cash, check, or credit card. Pre-approved financing is also available through our partner companies, Cherry, PatientFi, and CareCredit. Our highly reduced specials cannot be purchased with gift cards or gift certificates.
- Specials cannot be combined with other discounts.
- If it is determined that you are not a candidate for a prepaid "special" procedure, a gift card for the value of the purchase will be issued.
- We will not apply discounts to previously purchased packages or treatments. Discount applies only to packages purchased during the promotion.
- All packages and treatments purchased at our Holiday Christmas special must be completed by the following year end and are non-transferable after the first treatment has begun.
- "Free" treatments have no value. If not used, there is no value to apply to other treatments.
- In the event that a package or series of treatments *has begun* but is not completed within the prescribed treatment time (12 months), the unused services will be considered to have been rendered even though the full series may not have been completed. The package will have no residual refund value at the end of that 12-month period.
- Any *un-started* packages will be dismantled at the end of the prescribed treatment period (12 months) and a 10% processing fee will be applied. The remaining credit balance for un-started packages will be issued as a gift certificate, redeemable for cosmetic services or products. Gift certificates will have a yearly decrease in value according to our Gift Certificate policy rules which is available in our office or on our website at: www.wimedispa.com.
- Each day's specials can be seen on our website as well as Facebook, Instagram and our Twitter account. Promotion will not be honored after the stated date.

These terms and conditions describe Wisconsin Vein Center & MediSpa's Holiday Christmas Purchase Policy. Purchase of a Holiday Christmas special constitutes acceptance of these terms and conditions.

Please note: For any gift card special, gift cards must be picked up by January 15th or a \$5 shipping fee will be added and the gift card will be mailed.
